Tri-County makes donation to Child Health Care, Inc.

In recognition of their commitment to the children and families, Tri-County Telephone Association, Inc. donated \$500 in prize money, from the Council Grove Rotary/Sorrell Chiropractic Clinic, P.A. KanDucky Derby, to Child Health Care, Inc.

Child Health Care, Inc. is a charitable organization that has been active in the area for many years. The organization offers financial assistance for the medical needs of children up to the age of eighteen. According to President Mary Ellerman, families can apply for assistance for medical needs ranging from school physicals to prescriptions medications. "During these hard economic times, it is so nice to be able to provide assistance to these children and families and we appreciate Tri-County's contribution very much." said Ellerman.

To inquire about receiving assistance from Child Health Care, Inc., please contact Jeanne Bowen, 620-767-5765 or contact your child's school nurse.
